

**“INTEGRITY,**  
The Choice Between  
What's Convenient and What's Right”

-Tony Dungy, Uncommon

## OUR PROCESS

We strive to help our clients understand and enjoy each phase of a project, from the initial sketch to the day the keys are handed over.

### Preliminary

We will create plans that accurately display the work you want to have done on your property. We will discuss with you every step of the way to make sure it's perfect!

### Approval

Once the city approves of your project, we can help you pull final permits and clearances necessary for your project.

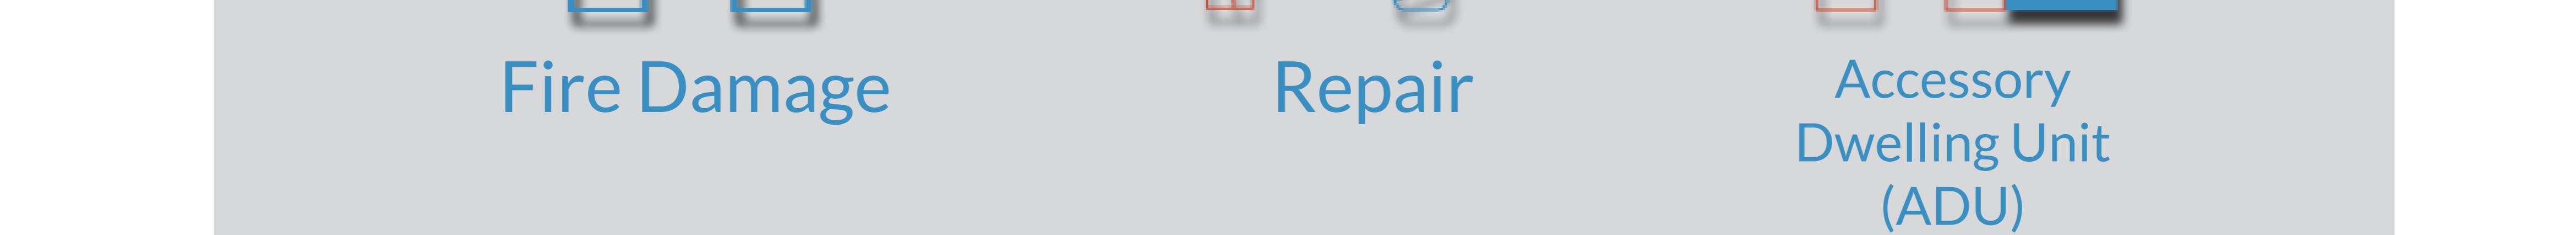

### Initiation

We will review your project and create a satisfactory proposal

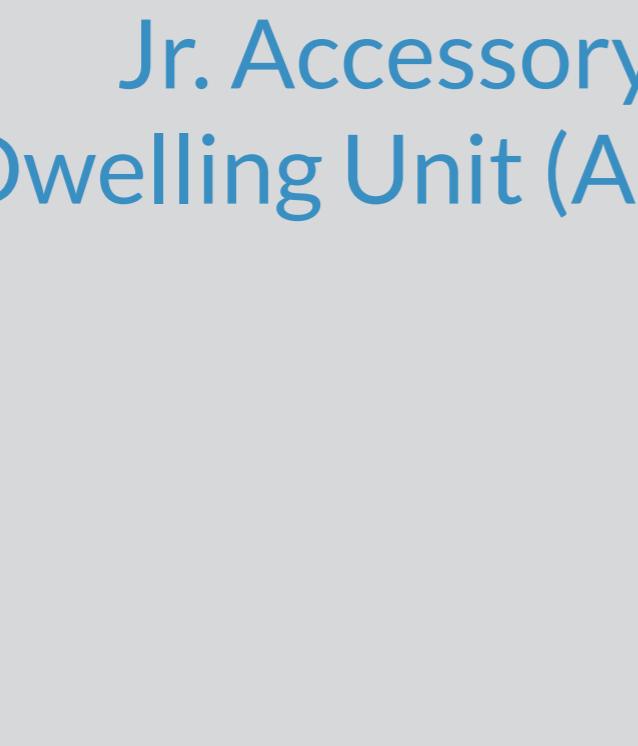

### Submittal

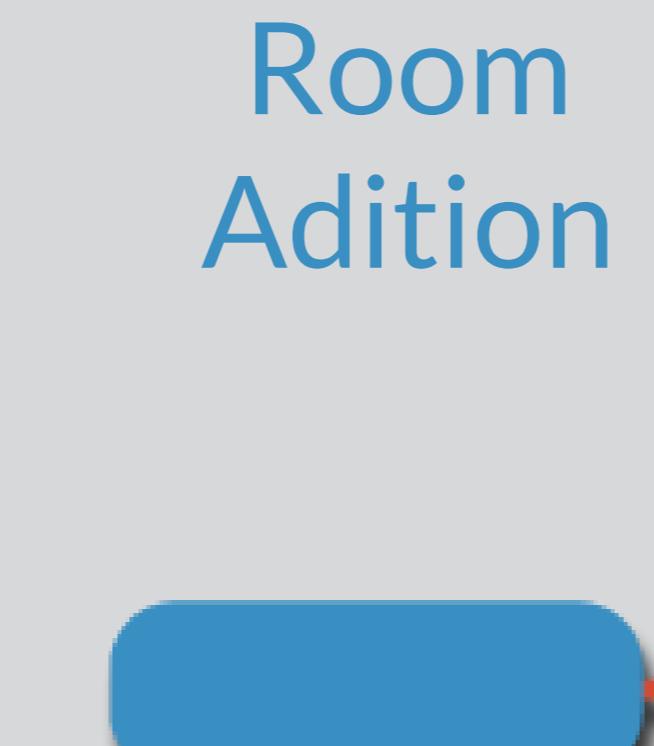

We will submit the plans to the city, and get approval for the work done for your project.
